IN THE SPECIFICATION

Please amend the specification as follows:

Replace the paragraph on page 5, between lines 15-23 of the specification with the following:

Figure 1 diagrammatically shows a rewritable information carrier 1, in the present case a DVR information carrier. The invention is not limited to a DVR information carrier but is can also be applied to any other information carrier such as, for example, a CD-RW or a DVD-RW. The information carrier 1 has a recording area 2 having an inner diameter 3 and an outer diameter 4. The recording ~~are~~ area 2 consists of tracks (not shown in Figure 1), in the present case with a land/groove recording, which are intersected by address information areas 5. The starting points of the address information areas are radially aligned along the radial lines 6. This layout of the information carrier serves to illustrate the invention.
